Where are you from?

I was born in Venezuela, but I grew up in Springfield, VA.

What are your favorite hobbies?

I love to go hiking and spend time with friends.

Something I've always wanted to do...

I've always wanted to travel to every continent to see and hear all different people and languages. I love learning about cultures and customs of the world.

What is your favorite thing about teaching?

I can be creative! I can use media, art, and other visuals to help my students understand concepts.

Why do you love CCA?

The staff lifts each other up, and each teacher is sure to speak truth and honesty into their student's lives to help them grow both academically and spiritually.

PRINCIPAL'S CORNER

As we all look forward to warmer weather and leaving behind our heavy coats, hats, and gloves- let us remember that through Jesus Christ we are new creations! We can leave behind all of the "heavy" burdens, stress, and worries of the past; and can walk a little lighter with the light and warmth of God's love shining on the path ahead everyday!
