

We believe we have one of the best After Care Program in the Area.

- Each day several clubs are happening and kids can choose their favorite club
- CCA kids go on field trips when public school is out such as Bowling, Movies, Sky Zone, Skating, Sweet Frog, Vertical Climb, Trail Riding at Tamarack Stables, Swimming and many more!
- Transportation is provided to area elementary schools: Antietam, Old Bridge, Rockledge, Lake Ridge, Springwoods, Westridge, Penn, Kerrydale and Enterprise, Private area schools.
- Safe Christian environment, loving teachers and instructors.

- ICE SCULPTING
- ASTRONOMY

Book Club/Ancient Egypt, Israel, Iceland, Caribbean Culture

CCA book club encourages kids to explore new books and ideas through traditional folk tales, mystery, drama and more! Each club meeting will begin by reading the book of the month. Next, kids will discuss the story and share their opinions.

Ancient lands will be discussed and explored looking at the miracles in Egypt, the importance of Israel, the Vikings, Pirates and much more exploration into the culture and history of several regions.

Dance, Dance, Dance

Music finds its way into every culture including CCA. Kids will learn cultural dancing including Irish, African, Folk, the Islands, cheerleading and chants. They will learn how music and dance teach a story.

**Ms. Jazmine Baker and
Ms. Stephanie Sarkodie**

Drama and Puppetry

CCA taps into a child creativity with our Drama and Puppetry club experiences. Kids will make their own puppets, costumes, masks and learn about acting and pretending, building a puppet stage and public speaking,

CCA CLUB LEADERS

Homework Enrichment

Ms. Christine Fitzgerald and Brianna team up to help the children with their homework. The parents love when their student has completed homework tasks and can be free to spend quality time with the family. We use the IXL program to enrich the most difficult problem solving in subjects such as Math, Science, Language and Social Studies. Kids love spending their time with Ms. Fitzgerald and Brianna and they are very helpful keeping them on task and motivated.

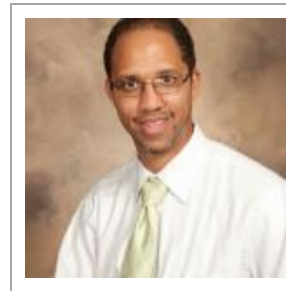

Missions for Kids - Missions for Kids helps kids focus on the needs in our community and in the world. Our club so far has made table mats for soup kitchens, collected coats, clothing and toys for Ukrainian kids in the poverty stricken Carpathian Mountains, collected scarves and hats for Turning Points shelter, Helped with collections for Bethany House

BARBIE CLUB

Each Tuesday, Brianna schedules time to spend with the 7+ girls with everything Barbie. The girls love getting together for Barbie talk, sharing outfits and role playing.

Athletic-Basketball, Soccer, Racket ball, Lego League, Robotics, Engineering

John Reid-Athletic Director

John puts together an outstanding program to teach Basketball & Soccer techniques. Skills get enhanced and techniques improved. John is also in charge of Lego League, Legomania, Engineering and Robotics Clubs.

Culinary For Kids

Teresa Schaffer – Cooking up a Hot-Mess.

Kids learn how to measure ingredients, choosing herbs & spices, nutrition, styles of cooking, cultural foods and more. The best part is getting to eat the food they cook and sharing with friends, parents and staff.

Games-Electronics

CCA kids are so excited to bring their tablets and electronics on Tuesdays and Fridays. In addition to electronics, students play chess and mancala. Children are engaged and motivated. Competitions are encouraged.
